

## STRATEGIES FOR DRUG DISCOVERY

Simulation – Screening - Repurposing

Monday November 27, 2017

Hilton, 1 Avenue Herrenschmidt, 67000 Strasbourg

### 11H30 REGISTRATION & LUNCH

12h30 Welcome by Alsace BioValley & BIOPRO Baden-Württemberg

12h40 **More light, better insights, effective drugs: How the pharmaceutical industry can benefit from large scale research facilities**  
Dr Sabine Jaehmlich – DESY ITT

13h00 **Drug Discovery Strategies**  
Dr Peter Roevens – Janssen

13h20 **Drug Discovery Strategies**  
Dr Vincent Mikol - Sanofi

13h45 **Pharmacological Rediscovery© to identify novel clinical uses of existing safe drugs**  
Dr Arnaud Sinan Karaboga - Harmonic Pharma

14h00 **HCS for drug discovery, the HDC advantage**  
Dr Horst Flotow - Hit Discovery Constance (HDC) GmbH

14h15 **Short Presentation Session**

**Short Presentation Session:**  
Introduce your company or research group for 2 minutes in front of the audience!  
More information on the website !

### 14h45 NETWORKING COFFEE

16h **Patient based Phenotypic Screening for Drug Discovery**  
Dr Mona Boyé - Ksilink

16h15 **Body on chip systems for save drug testing**  
Prof. Dr Ute Schepers - vasQlab

16h30 **Phenomin-ICS, an infrastructure for translational research and functional genomics**  
Dr Tania Sorg - Mouse Clinical Institute (ICS)

16h45 **High-content imaging and image analysis for drug discovery and repositioning**  
Prof. Dr Michael Boutros - German Cancer Research Center (DKFZ) and Heidelberg University

17h00 **Drug Discovery and Repurposing: Tell me more about the targets**  
Dr Alain Xayaphoumine - Bionext

17h15 **Monkey, Dog, Rat and Men – Drug safety biomarker across species**  
Dr Oliver Pötz - Signatope GmbH

### 17h30 NETWORKING DRINK
